

Your school needs you! The Channel Islands High School **Heritage Society** invites you to join with us to make a difference in the education and the quality of life for our students. We all know that children learn more and have more enriched lives when parents, school staff, students and the community work together.

The Channel Islands High School **Heritage Society** “5 for CI” program is seeking donations to fund many of our extracurricular programs, such as sports, squads, mock trial and we are working toward restoring the championship banners in our gymnasium. For the first time, we are proposing that alumni, parents and friends of Channel Islands High School, use Direct Donation as a way to raise money for our school and we would love to have **100% participation**.

We realize how important your time is, and how little of it you seem to have. That is why we are asking you to put your feet up and think of all the time you can save by contributing via Direct Donation to our school. Due to the rising costs of everything from supplies to technology, rallies, assemblies, bands, arts and sports we are suggesting that each alumnus, parents and friends donate \$5.00 or any multiple of \$5.00 (\$10, \$15, \$20, \$100, \$200). However, **please contribute as you are able - no contribution is too large or too small**. Having each alumnus, each family any friend of Channel Islands High School participate, in whatever way they can, gives us all pride in our school community.

Also, please inquire if your [employer](#) sponsors a matching gift program for charitable contributions. Some companies match gifts made by retirees and/or spouses. Obtain forms from your employer.
